

**Shriners Hospitals
for Children® Medical Center**
Lexington, Kentucky

Have you heard the news? We're moving!

On April 17 2017, Shriners Hospitals for Children—Lexington will become... Shriners Hospitals for Children Medical Center (SHCMC) when we open our new location on the University of Kentucky HealthCare campus.

Don't worry, "who we are" is not changing. The heart of our organization is made up of the people who work here, not the building in which it's located.

Here are a few things to know:

- We're moving because the current 28 year old building no longer fits how we deliver care.
- This is not a merger or purchase by UK. The Shriners Hospitals for Children Medical Center will be a freestanding building across from the UK Albert B. Chandler Hospital/Kentucky Children's Hospital, and it will be owned and operated by Shriners Hospitals for Children.
- The doctors and staff caring for your child will remain the same, and our commitment to deliver the highest quality of care to our patients regardless of a family's ability to pay will continue.

Relocating to the UK HealthCare campus brings together the pediatric orthopaedic expertise we're known for with the top-rated specialty and subspecialty pediatric care of UK HealthCare—a real benefit to children with complex conditions.

We're sure you have questions, and we've put together some information to help you with the transition.

Here's what you'll find in this packet:

On the back of this sheet, there's more information about our new, state-of-the-art medical center. The remainder of the packet includes maps and detailed information about parking in the garage that will be connected to the SHCMC. We've also included a brief overview of what is located on each of our 3 floors.

There are three maps included:

- a. A wide view of Lexington. Detailed directions from I-75, I-64, and the Bluegrass Parkway are on the back of this map.
- b. Directions from the current Shriners Hospitals for Children—Lexington. The new location is approximately three miles from the current location.
- c. A detailed map of the area around the new SHCMC

The street address for SHCMC is 110 Conn Terrace, Lexington, however, ***if you are using a GPS device or map app to get directions, you should input the address of the parking garage next to SHCMC, "110 Transcript Ave, Lexington" as your destination.*** (Additionally, ***if you put the name, rather than the address, in the destination field, Google Maps may still take you to the old location. Please be sure to use 110 Transcript Ave, Lexington.***)

If you have questions or concerns, please feel free to contact your care manager or call Melanie Angel at 859-268-5681 or 1-800-668-4634.

Please continue to arrive at 1900 Richmond Rd. for your appointment until March 30, 2017.

Facts & Figures About the New

**Shriners Hospitals
for Children® Medical Center**

Building the future of pediatric orthopaedic health care is a significant endeavor. Your pledges and gifts are greatly appreciated. For further information, please contact Dale Wallenius at 859-268-5768 or dwallenius@shrinenet.org.

A wide view of Lexington.

Detailed directions from I-75, I-64, and the Bluegrass Parkway are on the back of this map.

**Shriners Hospitals
for Children® Medical Center**
Lexington, Kentucky

Directions to the ***Shriners Hospitals for Children Medical Center (SHCMC)*** from Major Highways

The official address of the SHCMC is 110 Conn Terrace, Lexington. However, if you are using a map app to get directions, you will want to input the address of the parking garage next to the SHCMC (110 Transcript Ave, Lexington) as your destination. If you input the name of the building in your app as your destination, it may still take you to the old hospital.

From I-75

1. Take Exit 113 for US-27/US-68 toward Paris/Lexington and turn right onto US-27/US-68 W/N Broadway.
2. (3.7 miles) Turn left onto Bolivar St.
3. (0.2 miles) Turn right onto S Upper St.
4. (0.2 miles) Continue onto S Limestone.
5. (0.5 miles) Turn right onto Transcript Ave. The parking garage will be on the left.

From I-64

1. Take exit 115 toward Airport/Lexington and merge onto Newtown Pike.
2. (3.4 miles) Continue straight onto Oliver Lewis Way.
3. (0.3 miles) Use left two lanes to turn onto W High Street which continues onto W Maxwell St.
4. (0.5 miles) Turn right onto S Broadway.
5. (0.8 miles) Turn left onto Virginia Ave.
6. (0.5 miles) Turn right onto S Limestone.
7. (141 feet) Turn right onto Transcript Ave. The parking garage will be on the left.

From Bluegrass Parkway

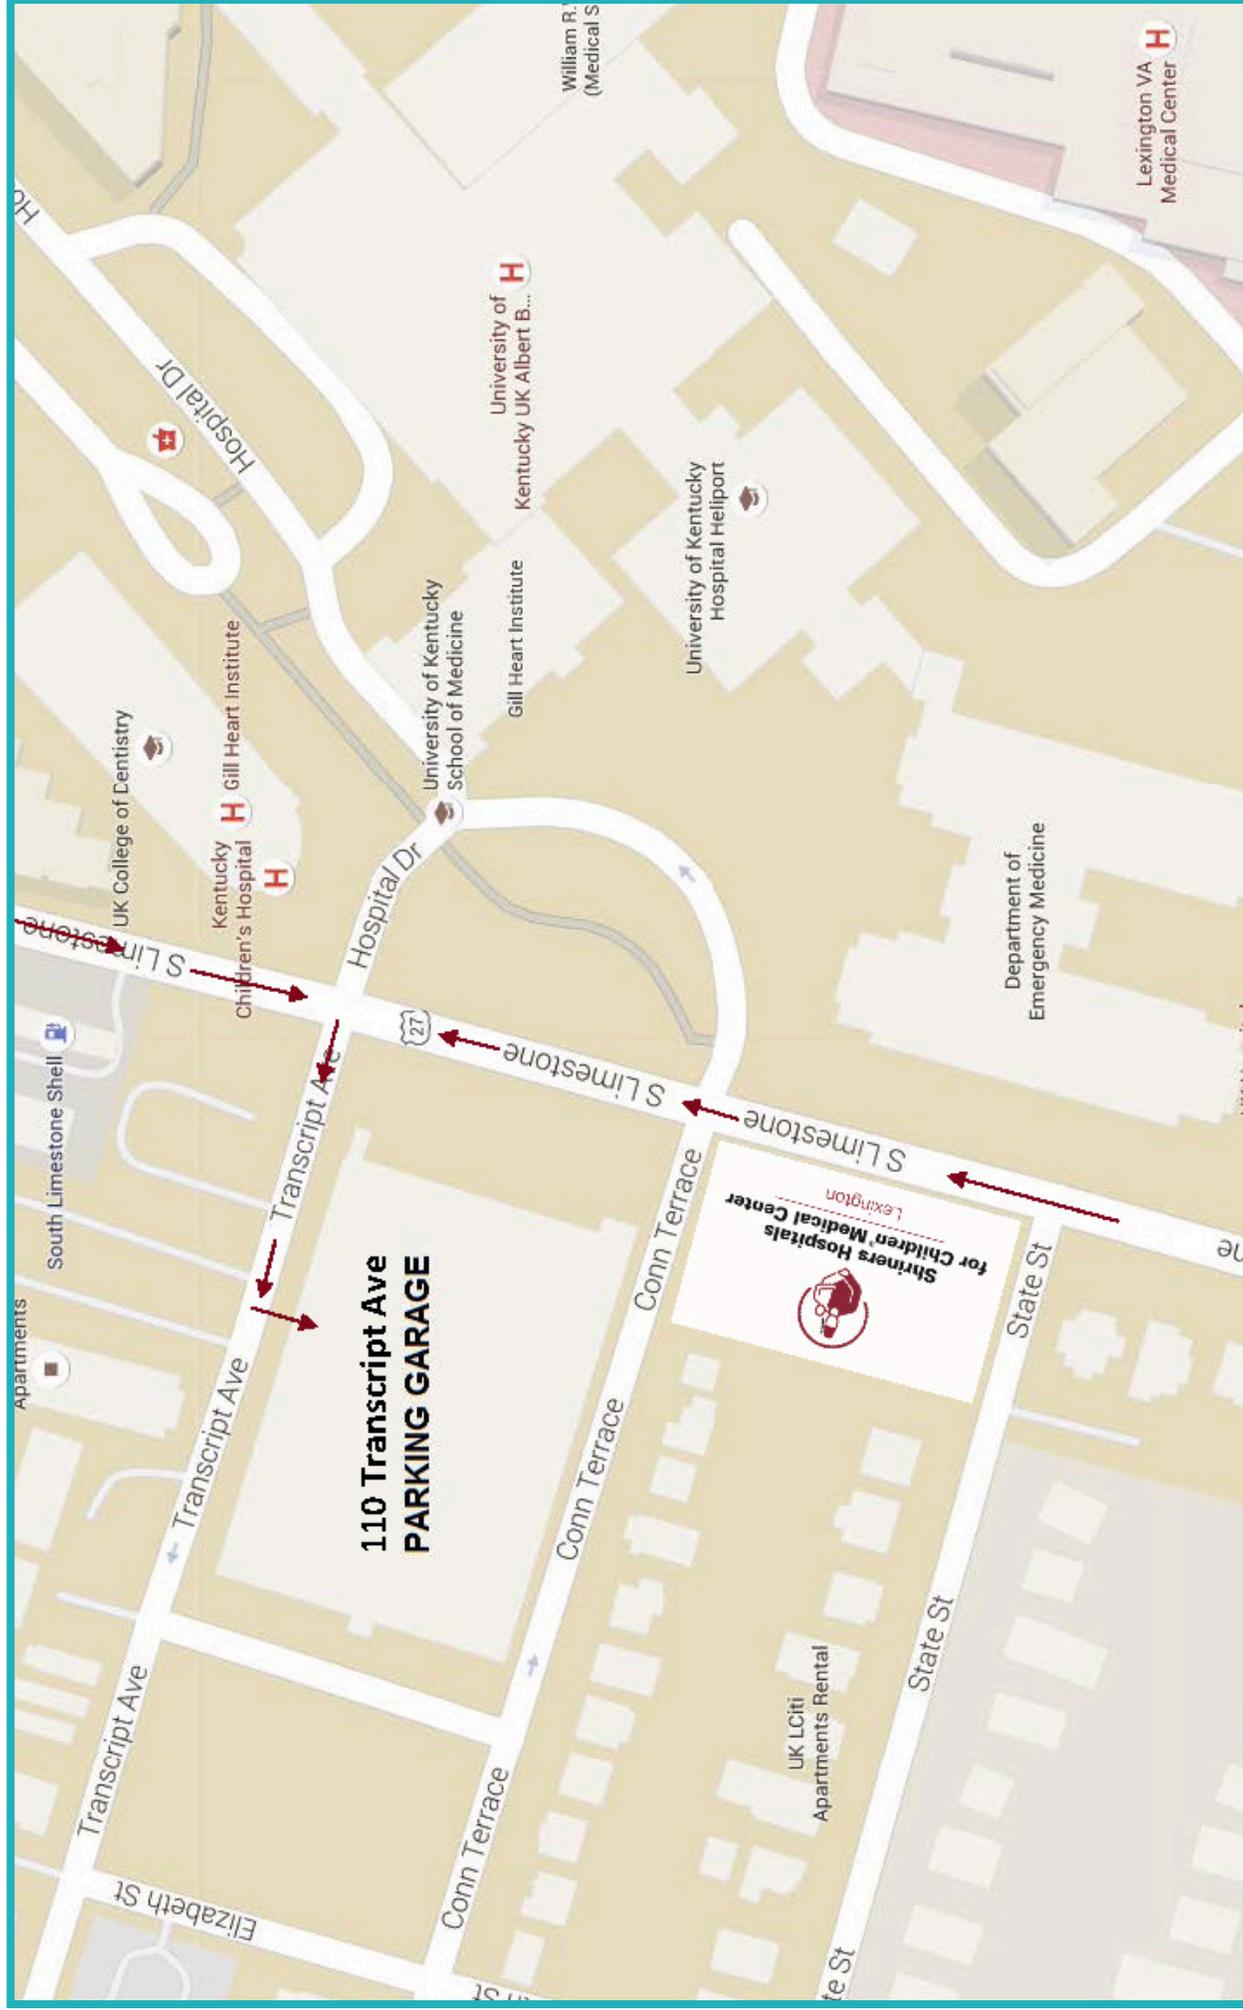

1. Take Exit 72A to merge onto US-60 E/Lexington Rd toward Lexington.
2. (6.4 miles) Stay on this road. (When you cross the Fayette County line, US-60 E/Lexington Rd will become known as Versailles Rd.)
3. (1.2 miles) Turn right onto Mason Headley Rd.
4. (1.5 miles) Mason Headley crosses US-68/Harrodsburg Rd and becomes Waller Ave.
5. (0.9 miles) Turn left onto S Limestone/Nicholasville Rd.
6. (0.2 miles) Turn left onto Transcript Ave. The parking garage will be on the left.

Traffic note about US-27/Nicholasville Road

The flow of traffic on the inner lanes of Nicholasville Road changes direction from 6:30am until 9:15am (more lanes coming toward Lexington) and from 4pm until 6:15 pm (more lanes going out of town). The traffic signals hanging above each lane identify the lane direction.

- A **green straight arrow** means you may continue in that lane
- A **white curved arrow** indicates that you are in a turn lane
- A **red X** means you are going the wrong way in that lane, and you should move to your right until you are in a lane with a green arrow.

Detailed Map of Area around Shriners Hospitals for Children Medical Center

* Please note the one-way streets surrounding the parking garage. The garage is located at 110 Transcript Avenue, Lexington. You will turn onto Transcript Ave, then turn left into the parking garage. The pedestrian bridge connecting the garage to the **Shriners Hospitals for Children Medical Center** is located on Level C.

for Children® Medical Center**
Lexington, Kentucky

Parking Information

- Please use the parking garage that is attached to the Shriners Hospitals for Children Medical Center (SHCMC). It is located between Conn Terrace and Transcript Avenue. If you put 110 Transcript Ave as your destination into any map app on your smartphone, you will be taken directly to the parking garage. Note: If you are approaching from the south, you will drive past the SHCMC and turn left onto Transcript Avenue to enter the parking garage.
- If you drive a tall vehicle, please note the clearance to enter the garage is 8 feet 6 inches.
- Be sure to bring the parking ticket to your appointment so we can validate it for you.
- There are two pedestrian bridges connected to Level C of the parking garage. One will take you to the University of Kentucky Albert B Chandler Hospital, and the other will take you to SHCMC. There will be signs to direct you to us, but one easy tip to remember is that our pedestrian bridge crosses over Conn Terrace, which is a small two lane road.
- The pedestrian bridge will bring you to the third level of the SHCMC. You'll pass thru a set of sliding doors. Go through the doors and turn left, then go through a second set of doors and you'll be in SHCMC. You will see an information desk and patient registration.
- If you are scheduled for surgery, take the elevators to the 1st floor to register.

Inside SHCMC

The SHCMC is a five-story building. We will occupy the first three floors, and UK Ophthalmology will occupy the top two floors.

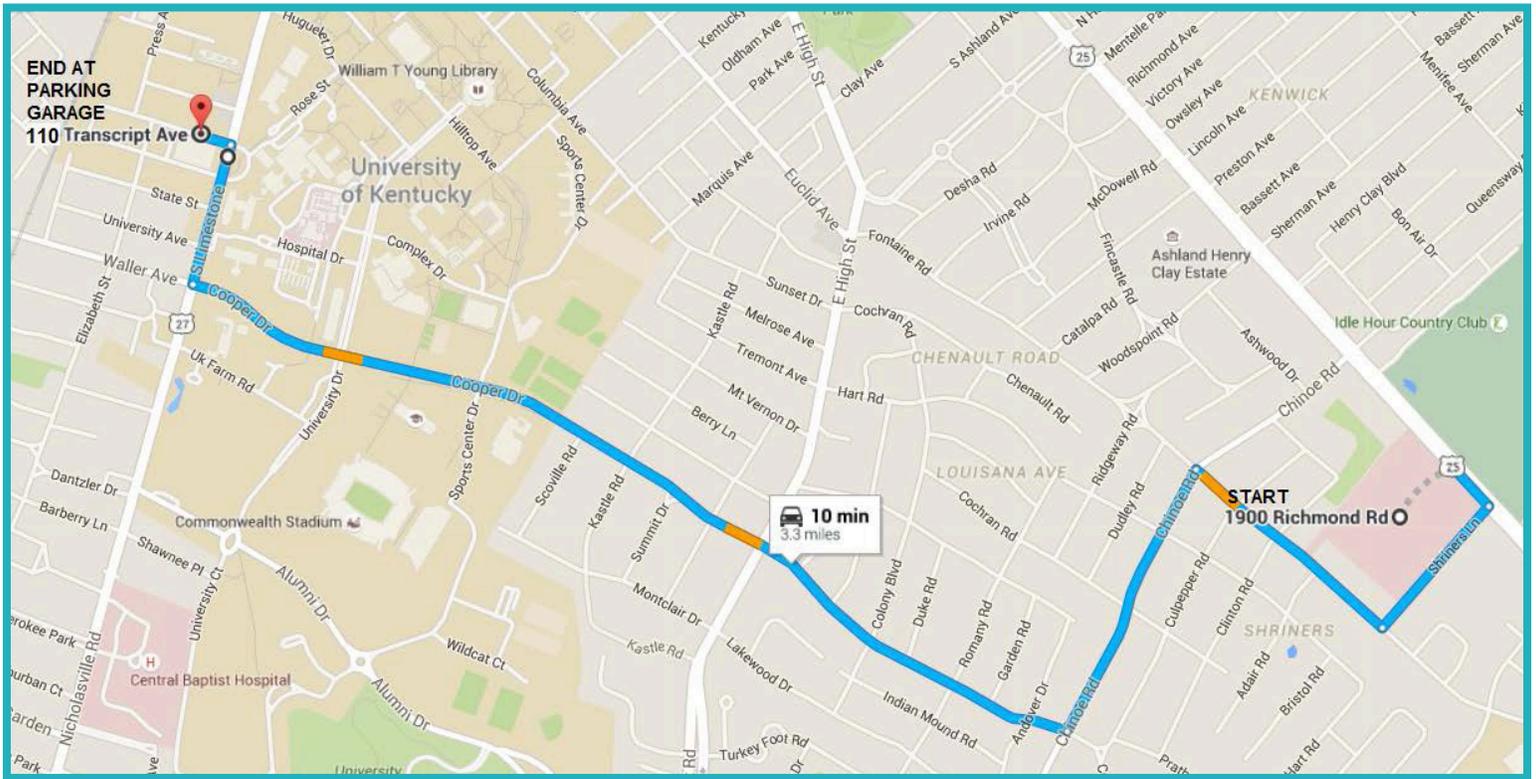

Level 3: This is where you will enter the SHCMC when you take the pedestrian bridge from the parking garage. On this floor, you'll find the clinic, casting, radiology, prosthetics & orthotics, and patient registration for non-surgical visits.

Level 2: This floor will be home to the motion analysis lab, physical and occupational therapy, research, and various staff offices.

Level 1: This is the surgery floor, and will include patient registration for surgical patients. Surgical patients may be dropped off at the covered entrance at the rear of the SHCMC

Please continue to arrive at 1900 Richmond Rd. for your appointment until March 30, 2017.

Directions from the
CURRENT *Shriners Hospitals for Children—Lexington*
to the
NEW *Shriners Hospitals for Children Medical Center*

The official address of Shriners Hospitals for Children Medical Center (SHCMC) is 110 Conn Terrace, Lexington, however, if you are using a map app to provide directions, you will want to put in the address of the parking garage next to the SHCMC (***110 Transcript Ave, Lexington***) in order to have the most accurate route.

SHCMC is located a little over three miles (10 minutes) from the current Shriners Hospitals for Children—Lexington.

1. Start at the current Shriners Hospitals for Children on Richmond Rd.
2. (250 feet) Turn right onto Shriners Lane.
3. (0.2 miles) Turn right onto Fontaine Road.
4. (0.4 miles) Turn left onto Chinoe Road.
5. (0.5 miles) Turn right onto Cooper Drive.
6. (1.7 miles) Turn right onto South Limestone/Nicholasville Road.
7. (0.2 miles) You will see the Shriners Hospitals for Children Medical Center on your left. Drive past it, and turn left onto Transcript Avenue in order to enter the parking garage.
8. You may park on any level of the parking garage. There will be a pedestrian bridge on Level C that will connect you to the SHCMC.

Please continue to arrive at 1900 Richmond Rd. for your appointment until March 30, 2017.
